July 1–5, 2024

The Exchange Clubs of Hancock County and Lawrence have teamed up with the Indianapolis Airport Authority to provide the 7th annual Field of Honor display of U.S. flags at the Indianapolis Regional Airport located at 5809 W. Airport Road in Greenfield, Indiana. This inspirational posting of the Stars and Stripes will feature more than 500 American flags standing in a solemn formation to honor heroes in our lives including: Military (currently serving, those who sacrificed their lives, veterans). First Responders, police officers, firefighters, EMT, and others.

We invite you to help with the 2024 Field of Honor by sponsoring this special event. Funds raised have helped over 50 local charities in Hancock County and Lawrence. These charities include: Hancock County Kenneth Butler Memorial Soup Kitchen, Farm Food Bank, Life Choices, Kammy's Kause, CASA, Lawrence Area Laundry, Harrison Hill Food Parent Program, Aktion Klub, and Maddie's Smiles Foundation and many more.

The Field of Honor is an experience to remember. We are given an opportunity to teach our young that freedom and safety have been purchased by the toil and blood of others. There is no charge to visit the Field of Honor display. More than 1,000 vehicles arrive each year, filled with families who are there to pay their respect and experience this display of Americanism. All are invited to walk with us through the ordered rows of flags as we honor all who have served.

We hope that you will join us on this journey to honor our military, veterans and First Responders this year. Please make your sponsor check payable to the:

Exchange Club of Hancock County
